“ Hello granny☐. I truly hate that this day came to fruition, but I know you are at peace now. I will always cherish and remember all of the precious childhood memories with you. You lived a long life and for that I am grateful. I will always love you. May you find eternal peace and happiness on the other side🕊️.

“ Dear Mommy, I'm so lost for words. I will forever and always love you. You was the strongest and bravest woman I know. You will always be in my heart. I wasn't ready, but God was ready for you to come home. Mommy you take your rest, it's well deserved. I love you and I miss you.
