“ *Granny Gigi. I never met you in person but I spoke with you a few times on the phone. You had the sweetest sounding voice, always saying "how you doing Baby?" It's Adam, friend of ur nutty Granddaughter Tia. She and Nikkita thought the world of you, as did the rest of the family. You were The Rock who held everyone together. Everyone going to make you proud and do the right thing. Rest in Peace.*

“ *Early in 2002, I came to Michigan and to Providence Hospital. Virginia was very welcoming and most helpful as I began to learn the lay of the land in Hospital-based Behavioral Medicine. Over the years, at times we've worked at the same location and I've always been glad to connect again. She was a gift to all of us. I do miss her and pray that she is in peace, face to face with God.
