“ Dear Linda, Diana and Family,

I am so sorry to hear of Vivian's passing. Vivian had a beautiful smile, a great sense of humor, loved to shop for others and enjoyed gardening. She was a beautiful gift here on earth and now she is amongst the angels. Wishing comfort and peace for your family.

“ Diana I never had the chance to meet your Mother but I do know she raised a beautiful daughter who has lots of love and compassion for others. That tells me she had to be a loving woman. May God wrap his arms around you and the family. May Vivian RIP.

“ You were one of a kind. We had a lot of fun on 3rd shift. I will always remember you telling me bite me and the time I pretended I was going to. I think I surprise you. You always said you were an angel, you were right then and now you have your wings. Rest in peace sweet Vivian.

“ <3 So blessed to have known Vivian. Loved her charm and her strength ! She was a great friend., we shared so many stories working those long nites on 3rd. No matter how she was feeling she always looked so nice and put on lipstick.....I loved that about her! She had a wonderful sense of humor and I can still hear her laugh. From the very first nite we worked together she shared stories about her children, they were everything to her <3 they were her life, her love , her heart ! May God wrap his arms around all of you and help you through this hard time . I will never forget you my friend.
