“ *I WILL ALWAYS LOVE YOU... Love does not end when a person dies. Love reaches to the clouds in the sky... and to heaven above. You were loving, kind, protective, romantic, funny, strong yet gentle, thoughtful and honest. My life is different now. I find peace in the dreams that I have of you... standing there smiling at me... or Walking with me down a warm sunlit street with big beautiful homes... I miss you sooo much Sweetheart. Judith.*
