“ *Sending love and prayers to the family. Wanda is my cousin and to all that loved and knew her called her Nookie. Im truly going to miss our late night talks and the secrets we shared. I truly wish we had more time together but I'm happy that you are now free from all the pain and No longer suffering. I know will see each other again and until then I will be here to love and support your children in any way that I can. Rest well Cuzzo, I love you 🥰*
