“ Wanda was a beautiful woman with a heart of gold. I have not seen her in many years but I can still see her face, hear her voice and feel her love for everyone she encountered . I always felt blessed by her because she always brought a peaceful feeling . This makes me so sad, she left this earth too early and will be missed immensely. ❤️

“ Wanda and met right after we moved to Grandmont. Her boys and my son became friends. We shared many common interests: the boys, walking, yard sales, and flowers. 4 doors down on the same side of the street, we shared a lot. The past summer, she had a yard sale. We sat on the sidewalk in front of her home and shared notes on our families and the neighborhood. She was always Wanda, beautiful smile and kinds words for you. We met in 1984 and remained friends. I will miss her but she lives in my spirit. Keeping her family in my prayers.

“ When I first started attending North Redford, Wanda said she really liked my shoes. It was just a positive comment that I really needed at the time. I used to tease her about sounding like Marilyn Monroe during her comments. I will really miss her sweet voice and disposition.
