“ *You are the definition of a super mom, which is why I can't even believe that you are no longer physically here. My heart is shattered for my best friend as I know that in addition to Harold & Harmony, you are Yasmine's world. I thank you for opening up your home and your heart to Joi & I and for blessing us with Yas 💜. I thank you for all the laughs and setting all the rules that we, well Yasmine broke lol. I'm definitely going to miss you, rest peacefully. Yasmine, Zoe, Eric, & family you are continually in my prayers and I'm just a call away, love y'all 💜*

“Wow, so where do I start....still in total disbelief that you're no longer physically here and so heartbroken for Yas, Zoe and Eric. You were the meanest, nicest person I've ever met, if that makes since lol 😂 You scared the crap out of me in 9th grade when I first met you! I was like, “Toi look at her, she is totally not going to let Yasmine come to our party”... and boy was I wrong because at that point we had only known Yasmine for like 3 weeks and you let her come to our hotel party. Clearly tells me that you saw something in us and knew that she would be in good hands... as evident by how we still have her back 19 years later! 😊 My husband Mark, our children and I are going to truly miss you ... rest well until we meet again.

Sincerely,

Joi Miller

P.S I found a few pictures of you backing it up on Frank and smiling that I wanted to share.

“ *She was the kneel baby of the family. I was so very proud of her. She was there when I found out I had lung cancer went to my first appointment with my cancer doctor. Was taking her lunch every time I went to the doctor until I told her she didn't have to do that. How I wish I was there to comfort her like she did me. This really shock me I don't know how to get past this.. I'm praying for my sisters for strength and comfort. Know God don't make mistakes he take a good back for us. R. I. H. Wanda Gail I love you*
