“ To the Fuller family. Just know that the Lord is walking with you every step of the way, and it is going to be hard some times, but look to the hills from which your health comes from GOD is going to comfort the whole entire family. I Love you all and if I can do anything just call me even if you need someone to talk to, A Sshoulder to cry on. Because it hasn't been that long sense my dad went home to be with the Lord!
