

## Mr. Westley Clark, Jr.

December 4, 2017 - December 4, 2017

### Life Journey:

Westley Clark Jr. affectionately known as 'Ba Bra' was born on January 31, 1954 to parents Bertha and Westley Clark Sr., both deceased. Westley accepted Christ at an early age and was baptized at Greater King Solomon Baptist Church. He graduated from Kettering High School where he ran track. After high school he began his career working for General Motors (GM) as an assembly line worker. He began in the 'Gear and Axle' finishing division and later because of his great love for gardening was eventually promoted to head the grounds maintenance for the assembly plant. His career there spanned 34 years until his retirement. After retiring from American Axle, Wes worked part time at AT&T for another 4 years until his health condition changed.

Westley was a real sports fanatic and enjoyed watching baseball, football, basketball and boxing. He would call his brothers several times a day to discuss the latest in sports. He also enjoyed games of chance, but as a participant his particular passion was bowling, where he was a member of several leagues and won numerous monetary awards in league and during tournament play.

Westley was a great dresser; he was out-going and a friendly man who loved to cook and take care of his home and his beloved dog Taz. His yard was the envy of the neighborhood. His smile could light-up a room and his friendship

was felt by those who knew him.
