“ *Please extend our condolences to your family. May God comfort you during this time of great loss. There's a sense of helplessness when someone we love dies. Many wonder how one gets through this time. Take time to reflect on the good times you shared with your love ones. Prayer is extremely valuable at this time of sorrow.*

“ *My dear dear friend, she will be missed more than I can express. You were all blessed to have such a beautiful, wonderful soul as part of your family. Her and I shared more laughs and fun in our times together more than anything else. My heart is hurting so bad, I will miss our late night talks and laughs.*

*If there is anything I can do for the memorial in Pittsburgh ease let me know.*

*My love to each and everyone of you*
