“ *We flew to Bend the day Mr. Allen passed, didn't return until after the funeral and am feeling sad that I missed being there for you. Where can I find an obituary or text of what was said at the funeral?*

I had the great pleasure of meeting your dad when I first ran for Mayor in 2011 and he was on his porch talking with a neighbor. He very kindly listened to my pitch, and was open to it though his neighbor wasn't having any. He was obviously very bright and a gentleman to the core. He mentioned his photography hobby. I wonder if the family would like to display his photographs in City Hall in his memory

May the memories you treasure about your dad comfort you and your family at this time.
