

## Mr. William Henry Hollins

May 11, 1933 - October 10, 2017

Celebrating The Life Of William Henry Hollins:

William Henry Hollins (lovingly known as Hawk, Bill or Henry) arrived on schedule, according to God's perfect plan on May 11, 1933 in Detroit, MI to the late Inez and Spencer Hollins. He was one of seven children. He was educated in the Detroit Public School System attending Northeastern High School.

From the very beginning, William's parents instilled in him a strong love for family and an excellent work ethic. As a young man, William was a hard worker as he often assisted his mother with her ice and coal business. He was also an avid reader in his spare time. These characteristics and natural thirst for knowledge along with diligence, determination, and strength were all paramount in preparing him for his career at General Motors as a line supervisor. He retired after over 30 years of dedicated and faithful service.

On December 5, 1964, William was united in holy matrimony to the love of his life, the late Juanita Louisa Lawson. To this loving union (which blossomed for over 42 years) two blessed children were born: Karen Denise and Khary Yamro. Together, they grounded their family in principles of love, unity, strength and the pursuit of wisdom. They also recognized that Christ was the center and covering for their home and accepted the Lord as their personal Savior to honor that commitment. William stated that one of his greatest

accomplishments was watching his son grow into a father who openly showed love and affection towards his sons. His grandsons, Justin William and Donovan James, were the jewels in his crown and a continued source of pride, joy and hope for him. He enjoyed going to watch his grandsons play sports or travel with the family to reunions. William was also a man of many interests. He loved to play cards, shoot pool, fish and had an eye for beauty behind the lens of a camera. William was known as the family photographer and shared this love with his family and friends.

On October 10, 2017 at St. Mary Mercy Hospital in Livonia, MI, God called William to transcend to his heavenly home as he had fulfilled his earthly purpose.
