

Mr. William Johnson

December 30, 1963 - February 3, 2019

My Story:

Mr. William Lane Johnson was born on December 30, 1963 in Detroit, MI to the late William Clyde Kelly and the late Manderlene Johnson.

William attended school in the Detroit Public Schools system.

William held various positions throughout the city of Detroit metropolitan area and was a licensed forklift operator.

William was joined in holy matrimony with Angela Bey in May of 1992. To this union his twins, Brittney DeShawn and Brandon DeJuan were born.

William enjoyed watching football and the Detroit Lions were his team of choice.

William would like to let you know that his work here is now complete. While he was picking up his wife from work, he received a call, an offer he couldn't refuse, for an appointment from which he would not be returning. This assignment came with a huge sign-on bonus, a reunion with family and friends he has not seen in a very long time. Job security is exactly 110 percent. His new mission takes him to a wonderful place where he will be socializing and dancing until his heart's content. Music, laughter, and love are

guaranteed. The food is delicious and he'll never gain an ounce. He had to jump on the offer right then and there. Sending his best wishes to his wife, Angela and his children, but his instructions were to celebrate his life here, which is now complete. Disobedience of these instructions will not be tolerated.

While wishing him a safe journey, we will always remember his smile, his unique laugh, his energy, his love for life, family and friends. He will be missed dearly.

William departed this life on February 3, 2019.
