“ Kelli: At times like these... It's really hard to put into words. What the heart truly feels. I want to personally take this time to extend my deepest sympathy for the loss of your Dad.

As we pass through life, with God's benevolence, we will experience a myriad of joys...a beautiful sunset, a baby's laughter and the blessings of family. You should count the many years spent with your Dad as a genuine gift from our Heavenly Father and, although you will miss him terribly and feel a resounding pain in your heart, know that he is with our Lord in Paradise, reaping the rewards of a life that enriched each and every person with whom he met. It has to be so gratifying and reassuring to know he left an indelible print in all the lives he touched.

Please do not hesitate to give me a call if there is anything I can do to support you and your family in the days to come. Pleasant memories are forever and they will remain a part of your heart always. . .

“ Kelli and the entire Jones Family, Prayers are with you all. As I so often say, "While you're in pain for his transition, rejoice for his destination". I'm glad that I got to meet him and enjoy his cooking and those other little memories and laughs. Be strong in the Lord!!
