With deepest sympathy to the woods family. So sorry for the passing of im sure the greatest father one could have ever known. To many times we cry and the ultimate question is always why. Didn't have the pleasure of meeting mr woods, but to mr shea woods of the fabulous shea show and Darrell with you all the way gave us ensite on where it all started so i just wanted to send my love and prayers to you and your families, weeping endures for a nite and i pray that joy truly finds each and everyone of you. Shea you have given me and my grands so much entertainment my family truly enjoy all of your shows so we thank you. And that alone speaks volume about the tree these branches came from im sure Mr woods was proud of you. So i send my love and condolences all the way from Tifton Georgia : God bless you and keep you. Gods plan❤️

Sincerely: your friend Deidra Duncan, and grands.
