“ My heart goes out to the family and friends of Bill Bell. You were such the gentleman. I remember the first time we met you reminded me of my Dad I just thought my dad was the greatest and to meet someone so close in similarity speaks volume. You will be greatly missed Bill. So long good and faithful servant. Spread your wings and fly high my brother.

“ My deepest sympathy to Reba and the entire family. Bill will truly be missed... He was an intricate part of the Bid Whist community. His passion for the community and the game is well documented. He will be truly missed, but always remembered. May God's love keep the family now and in the days to come. Truly yours, Jackie Mansfield
