“ *Flennord & Freddie,  
My condolences to your family.  
May the two of you find JOY in the memories of the humble, polite,  
unassuming gentleman Willie was. May you find PEACE in the  
knowledge that you were both a wonderful brother & sister in law.  
May God grant you a double portion of the LOVE you've shown  
toward Willie; not just as family members, but as faithful friends and  
loving caregivers.  
Love you both,  
Doris*

“ *Dear Baker Family and Friends,  
I am so sorry to hear of the loss of your dear loved one. Please  
accept my sincere condolences. I too have lost several loved ones  
in death, and the pain is tremendous, even with the passage of  
time. Thankfully, I have found relief in knowing that "The Most High  
God" is the "Hearer of Prayer", and a source of tremendous comfort  
in times of grief and distress according to Psalms 83:18, and Psalms  
65:2. Please be assured , death will soon be "swallowed up forever"  
and we will have the opportunity to see our dead loved ones again,  
as promised at John 5:28.29 and Isaiah 25:8. My family and I wish  
you and yours peace.*
