“ *To the family of Willie James Clay. Look to hills with cometh your help and help comes from the Lord! James was the father of my niece La keysha and great father he was. The last few years James was a rock for me, while going through my own personal storm James was there to pray for me and with me. James gave me encouraging words to help me. With being said weeping endures for a night but joy comes in the morning. Your father is at rest sleep in heavenly peace my friend. May God Bless and keep his loving arms of protection around you. May you find peace in knowing when Jesus said he never leave nor forsake you. Gloria Whitehead Gaines of Minneapolis MN*
