*Prayers and condolences to the family. I will always love and remember my dear Uncle Earl Jr. We had great times as you instilled in me an appreciation of music. Although I will miss you greatly, I smile to think that you will be hanging out with Coltrane.

Rest in peace to a longstanding member of our parent coalition on our block. I spent many hours in their home and looked at him as an extension of my very own parents. A part of my childhood dies with you. R.I.P. Mr. Dawson and thanks for always being a constant in my life
