“ Mable, Faye and I would like to express our sincere thoughts and prayers to you and family. We cherish the time over the years that we have laughed and shared moments along this journey called life. We are so fond of Willie, and realize what a man such as he means to his family, friends and community. He has a legacy that you can be proud of and just know, we will see him again.

“ It was an immediate connection. Willie and Mable Hearn welcomed the Matlock family into theirs. My heart is hurting right now because I'm going to miss Willie, my friend (my family). He was so much fun to be around. I'm missing him today but will be smiling and laughing tomorrow remembering the fun times we've shared. My heart goes out to the entire Hearn family and I wish I was there right now to give my little sister Kenyatta a hug. Praying and thinking of you all. Ray and Crystal Matlock. 😭
