“Grandad... I love you. I love you. I love you. ❤️ You took a piece of my heart into the next life when you went; I hope you know that. But that missing piece has been replaced with all of the memories of joy, abundance, unconditional love, and thankfulness that I feel to have had the absolute privilege to be your granddaughter. I just love you-so much. I already can't wait to see you again, but until then I will press onward with the strength and smile you always encouraged me to have and wear. I don't know if we'll need \$20 in the next life, but if so make sure you have one ready for me ok? Haha. I love you. I love you. You're my heart. I love you. ❤️
