“ At 13 yrs old, I didn't know that you couldn't heat "hog head cheese" in a skillet. So, when Willie found me in her kitchen with a slice of hog head cheese on the stove, she asked me just what I thought I was doing. I told her that I was hungry and that I was heating up some lunch meat to make a sandwich. Her reply was, girl you can't heat hog head cheese. It'll melt. And to my surprise, it did. Her and Denise laughed till they cried. Lesson learned! I never forgot that day, some 50 something years later.

*Rest-in-Peace Willie Ceal Mitchell, you've carried us as far as you could. Love you Respectfully, Angie*

“ *Family, John 8:12 says: "I am the light of the world; he that follows me shall not walk in darkness, but shall have the light of life". Although you are walking through a shadow, Psm. 23:4, experience right now, know that Jesus is near. My prayer is you feel His presence today. Much love. Bernice Ashford*
