“ *I miss you dearly, My Love...*

“ *My heart is broken just finding out that Willie passed away. I spent all of my childhood with him, and he was so loving and a great cousin always. I didn't know that my Mother's funeral would be my last time seeing him. He offered me so much comfort during the Celebration of his Aunt Luciles's Celebration of her Life. My prayers and condolences go out to Willies mother, children and grandchildren. His legacy will live on through our heart and greatest memories. I especially pray for Aunt Rosa Lee, it has to be heart wrenching to have lost Spanky in an untimely manner. May God continue to bless you and the entire family. He's now present with the Lord, and he lived him more. God bless all of you, and Spanky will always be in my heart and soul.
Love, Cheryl*

“ Mr. Pittman was a great man, very sincere & just so cool. I have met soooo many ppl that know him & then found out ppl I have already known knew him & EVERYONE (and I'm not just saying this) EVERYONE spoke highly of him.

I met Mr. P thru a Uncle & he was always very polite & never said more than necessary he'd crack a joke when I would ask if he could adopt me 😊 but I always showed respect... I ended up getting arrested & lost my car & due to everything I couldn't afford to get my car outta the impound (I didn't know until after it had been taken care of) Mr. Pittman asked the person who we knew mutually, why didn't I tell him I needed the money to get my car he would have given it to me & let me pay him back 😭.... I never thought about asking him or telling him my problems but that's just a testament to his character & beautiful soul.

I lit a white candle for him & said a prayer for his family... there's no pain, anger, sadness in death, all debts are paid... Only the living deals with that..

I just wanted to share my condolences. I know how it is after the funeral the calls stop, people go back to living their lives & the family still has grief... God bless them

“ *Brother*

You gave no one a last farewell. Nor ever said good- bye. You were gone before we knew it , and only God knows why. A million times we will miss you. A million times we will cry. If love alone could have saved you, you never would have died. In life we loved you dearly. In death we love you still. In our hearts you hold a place , no one else can fill. It broke our hearts to lose you, but you didn't go alone, for part of us went with you, the day God took you home. We will meet again someday I know in a better place. I thank God he made you our brother while you were here on earth.
Love, Beverly

To Ms Roselee, Beverly and Cassandra. Sending heartfelt sympathy for the passing of your son and brother. Always known to me as Spanky. We grew up as neighbors and friends in Port Allen. I will never forget the poems and sonnets he would write. Very gifted. Though we loss touch, the memories I have will stay with me forever. I'm praying that God will give you strength as you go through this troubling time. Peace and blessings to you all. RIP my friend.
