“ *John 15:13 KJV — Greater love hath no man than this, that a man lay down his life for his friends.*

No greater love than that of a parent who lay down their life for their children and be able to watch them grow up and become who God called them to be. Strong, courageous and full of joy, love and peace.. Watching them by faith walk the path designed and predestined by God and watching how they don't give up on life or on their dreams and visions. It's a joy to be there with them through every step of the way is such a big blessing. Through the good times, through the bad times, through trials and tribulations... and through every special events that they are celebrating brings tears of joy or laughter with them. God is truly good and worthy to be praise. May you be encouraged with all the great memories you shared with your son.
