“ We met 15 years ago. We were young and wild; we had some times lol. We were good and bad but our good definitely outweighed the bad. Last time we spoke was on a good note, and for that I am thankful and grateful. You left me with a lot of good memories to look back on, especially "The Banger Sisters" OUR movie! But I was never more proud of you than when I see your acceptance letter for school to further your education. All I ever wanted was the best for you no matter what. I love you and I'm definitely gonna miss you and your crazy ways. RIP "Banger Brothers" 4ever
