“ It has been longtime years since I've seen Willie Ed. Although I spoke with him some years back during a time He called his nephew Robert Watts. I said to him in laughter, Willie Ed growing up in the same neighborhood I always thought you were your cousin Nook(Annie Boutwell) son because She were always calling out your name Willie Ed, I mentioned it to his brother June bug(Burgess Stallworth and He told me that maybe he were one of her favorite. I send my condolences to the family and friends as well for strength and comfort and healing during this time and much love all the way from Pensacola Fla. Peace be unto you my longtime childhood neighbor
