“ *I am deeply saddened to hear of my Uncle's passing. I am glad that I had the opportunity to talk to him beforehand. He was always a great man to me. He always gave me great advice about life and how to become a better man. Uncle Willie you will be greatly missed. However I know that you are in a better place without any pain. Love always your nephew Mark.*

“ Willie was truly a loving Brother and friend to me and my family. We enjoyed his visits and candid humor. Also his incites on the Bible. I enjoyed our many trips to Costco and helping him with his technical issues around the house. He helped our family in more ways than one, especially when offering spiritual support and just being there for his close friend and confidant April as she spent her last days on earth. He will be truly missed. My condolences to his son, sister, and the rest of the family. Sincerely, Sam Taylor.

“ I am so sorry to hear the passing of my dear friend. I would always tried to guess his middle name and he would say no that's not it. Willie will surely be missed but not for long. I look forward seeing him soon in the resurrection. To the family I pray for comfort for you all.
