“ *His jokes and laughter will be truly missed. I like to think that part of him will live forever. I will never forget him showing up to a couple of my high school football games and when we walked off the field he’ll dab me up and “say big nephew”, from that moment on when every he seen me he’ll dab me up and say “wassup big nephew”. Until we meet again it’s all love. Rest in paradise Unk.*
