“ On May 11, 2015 a woman whom I loved dearly, Mrs. Wilma Nichols, made her transition after a courageous battle with cancer. She was a petite woman with a huge presence. A woman of wisdom who was devoted to her family as they were to her. She was a friend and confidant and treated me like a daughter. I love you Mrs. Nichols. You were a major force in my life, probably more than you ever knew. My deepest condolences to her family and friends. Please know that I share in your loss. RIP Mrs. Nichols. You will forever be in my heart.
