“ *I didn't want this day to come, but I know to be absent from the body is to be present with the Lord. I will miss you greatly. Thank you for being the beacon of light to many, including me. You've taught me life lessons that could only come from a kindred spirit like yourself. Rest well, Godmomma. Continue to dance in heaven.*

“ *My auntie Wilma has been a staple in my life for as long as I've been alive. I will miss her beautiful smile, her laugh, her kind, loving & generous spirit. She loved to give and gave freely to everyone she loved. I will honor her memory by continuing to give to others in need. I will miss my auntie tremendously but I'm happy she is no longer in pain and pray she is in a better place. I have no regrets because I made sure she knew how much I loved and respected her when she was in good health and when it wasn't so good. I will make sure my grandkids never forget auntie Wilma and she will always have a special place in my heart.*
