“ *Lon My dear friend/sister you were the epitome of what God created us to be. The love you distributed daily to Everyone was special and what the world is missing. Our bond You, Debbie and myself was unbreakable. We shared so much with each other that never went further than our restaurant table. Friends and neighbors since elementary school. Your dancing skills put a smile on our 8 mike family watching the scene weekly, your ability to cook every holiday for 30 plus people was amazing and I know your mom was so proud of how you picked up her skills and feeding family and friends. I just can't process you being gone. We were supposed to go to J Alexander this week. I had already planned on sneaking my card to the waitress so you wouldn't pay like you tried to every time we went out. Lon omg I'm going to miss our phone calls, text, dinners, hanging out but mostly your genuine and unconditional love!*

“ Lon - what a sweetheart. We were dance buddies on The Scene and with our dance group The Detroit Strutters. We would have rehearsals in her mother's basement. What a time we had galavanting around the city. Love you my friend.

“ My memory of Yolanda Clayton has always been positive and happy! Yolanda had a heart ❤️ of gold. Her zest for life was shown with her smile & her fashion sense of style ! Yolanda left memories of how we grew up in the ole neighborhood. You could always see Yolanda’s quest for life in all those photos she made us take whether we wanted to or not ! lol 😂 Especially at the 8 mile reunions. There was nothing Lon would not do if you needed her assistance... she had a giving heart 💜 I know this because whenever we would get together she would always say “ I luv you” I would echo that same love and energy right back to her! She was like the neighborhood historian and news reporter all in one ! I don’t know who’s going to keep me informed about the neighborhood now that she’s gone 😞 I’m going to miss her so very much .Yolanda will always be on my list of friends that have become like family to me.I remember when the Clayton Family first moved into the neighborhood; it was like they “They just fit right in” 😊 and they did .....yall know the stories if you were part of the 8 mile family ☐🟪 We did that and so did Lon✔ I miss Yolanda & Sonja so much ; we all attended Mumford High School together. If you attended Higginbotham Elementary , Beaubien Jr. High or your a Mumford Mustang Alumni you know what an awesome dancer she was.

Rest in peace my dear Sista Friend untill I meet you on the other side 🙌🙌 Thanks for the 8 mile hustle & memories.

Praying for the family and sending love during this difficult time.

Peace
