22 years at our FedEx family seems so short - I promise I didn't follow you from department to department on purpose but I loved our banter and our common purpose of getting things done. You were very careful on who you really let in and I am so blessed to be able to get that opportunity, you made me think outside my own box. Dear Patrick and Evans family my heart and soul prays for your peace knowing she is where she always knew she was going, and for ease in grief though I understand it's not easy. She was a beautiful woman inside and out, she was the last person I hugged when I had to retire and it was very meaningful, both of us were struck with that feeling of loss but also hope. Prayers of love and guidance, Tina Church

“ Yolanda and I worked at FTN together for over 20 years and she was like my sister, my best friend at work. We were always somewhere running off at the mouth.

*Yolanda was a loving friend, sister, wife, mother, and daughter. She loved and adored her children & husband and was so proud of her family. We talked so much about our families and it's like we watched each other's children grow up through stories and pictures. We had a favorite restaurant (Mexican Fiesta) that we frequented many times after work before the pandemic hit and we were planning to finally meet up there again so she could show me pics of her new grandbaby that she was so ready to spoil and smother with love.*

*I used to tease Yolanda at work for being so young but acting like an old lady because she never wanted to go out or do anything. I can still hear her saying, "Girl, you do enough for the both of us! I'ma just wait for you to go or do it and come back and tell me about it." I used to have Yolanda cracking up at work and her laugh was so infectious.*

*Yolanda, I love you so much and you will always be my sister. You may be gone, but you will NEVER be forgotten. I have to take comfort in knowing that God needed an Angel, so he saw fit to take you. Until we meet again my sister and Girl, I'ma have some stories for you that's going to crack you up!*

*Love Always,*

*Carolyn*

“ *Prayers for the family. Yolanda was a co-worker of mine at FedEx. We did not work in the same department but shared many laughs/family stories in the lunchroom and in passing. She spoke very kindly of her family that she cherished. Gone too soon! We will certainly miss her.*
