“ They say this, too, shall pass,
They say grief eventually fades.
But those sayings are of little comfort
When you're living through such sad days.

They say that time heals all,
And this much I know is true.
So hang in there, our extended family,
And together we'll see this through.

Please embrace my friend and there family today whose heart overflow with grief and unanswered questions and such a sense of loss. Please grant them space to express their tears, hold them close and give them peace in the coming days. In Jesus name Amen.
