“ Dearest cousins Robbie, Rodney, Rolando and Dale

Those we love don't go away, death leaves a heartache no one can heal love leaves a memory that no one can steal. But all the words of comfort though kind, sincere and true can't take away the emptiness your felling your mom is with you every day. I know I can't make your pain go away but I want you to know I'm here for you all and love you.
