“ *Christmas was my Mom's favorite holiday. This year it was really hard for me because she wasn't here physically. I shed my tears but I know that she is in a better place with my Daddy, Uncle James, Mama & Papa. She is they are having the greatest times I know. Mom your spirit lives on in me. I continue to do everything with you in mine. I want you to continue being proud of me! I love you and miss you. I look forward to re-uniting with you one fine day. Be happy and free. From your baby daughter!*

“ My Mom - I still don't know how I will go on without her - here with me! We did everything together. When she went to live at Autumn Woods I went to visit her everyday - until one day she told me to get a life and not visit her everyday! But I went anyway because that was what I wanted to do. I would get her clothes for the laundry, drop off clean clothes, her Detroit Newspaper and I watched her play bingo.

When she wasn't feeling well, she never complained. She wanted me to think that she was ok and didn't want me to worry about her. She smiled at my EVERYDAY! We also said " I love you" to each other when I got ready to leave. My Mom was my everything.

She was also my "hero". I can only pray I can live to become the great woman that she was and is. I love you Mom - and I know that you are looking down at your family right this minute. I know that you are ok up there in heaven. See Daddy yet?

Your Loving Daughter Always,
Maria (AKA Your Baby Daughter)

“ Mrs. Thompson was a rock, mentor and inspiration to so many that grew up on Montclair St and others that attended Lillibridge Elementary School. I have a fond memory of her calling my younger sister Sonya, her little Gemini because they were both born on May 28th; and another of her riding her bicycle down Montclair wearing her sun cap and Marion (AKA Junior) calling her name, "Nanny!" He was so proud to have her as his grandmother. She was a grandmother to us all. Nanny you will be missed.

Nanny, I miss you so much, and you will forever be in my heart. The things you taught me, the trips to Georgia, the Tiger games and each time we said I LOVE YOU!!! I know you and Mama are together smiling down on me.
