“ *Carlene,
Hi old friend....so many years and so much of life have passed since
the summers we all spent running around the neighborhood. There
are no words that are of much comfort with such an tremendous
loss, but know that my prayers are with you, the family, and
Zachary.*

“ *Carlene, my heart aches for you and your family. You are in my
prayers.
It has been such a joy in my life to know your beautiful child. His
humor and enormous personality enriched all he encountered and
he has truly been an unwavering light in the world, and still is.
Please contact me through Facebook if there's anything I can do 🙏*

“ I met zachary back in 2016 when he started dating my daughter Shanya. He was polite and a gentleman and that smile lit up the world I'm going miss that smile and his corny jokes that made me laugh. He put a smile on my daughter face everyday I was so bless to have him as apart of our family good and bad. May you rest in peace and know you were love and will always be in my heart..R.I.P

“ My most favorite memory will always be of Zachary "convincing me" that I needed to buy flower seeds from him and David because they had to do a good job for their school and he was sure needed flowers in my yard... so I bought a LOT of flower seeds that he planted in my yard!!! I called it the Zach garden. Those boys were so pleased, but Zach was the salesman because he had known me the longest and "could talk me into it"! The most beautiful garden I'll ever have! I am so glad that I got to spend so much time with him as a kid - such a great person!!!! Carlene, please know that your are in my heart and my prayers and that I will always be your friend. God bless and keep you.
