“ My deepest condolences to the family. I never got a chance to meet Kiya in person, however I was looking forward to that day. Even though we never met in person I could feel by her warmth, personality, kind words, generosity in helping others, cheerfulness, and caring for others that she was one of a kind. Her reaching out through texts or phone calls with "hey sis how you doing I was just checking on you" GOD knows you don't run across kind good hearted people like that everyday. Yes indeed she was one of a kind...

“ Her loving heart and compassion for everyone will last forever. She was an angel on earth and now she has truly gotten her wings and will be here to guide and watch over us all until we meet again. My love and prayers are with her family and friends as we all navigate these troubled waters.
